

# Level 3 / KS5 Maths Leadership Community

Community Launch

Wednesday 24<sup>th</sup> June 2026 1545-1645

On-line

We are delighted to be able to offer an on-line community for those responsible for leading A-level Maths/Further Maths and Core Maths within their school/college.

The new Level 3 Leadership Community provides a collaborative forum for leaders of Level 3 maths to:

- better understand developments in the education landscape
- share strategic approaches
- strengthen curriculum planning
- support sustainable development of Level 3 provision within their settings
